Dutton fans may have to wait until the fall before they can enjoy another season of ranching drama, but in the meantime, it's about to get easier to get your Yellowstone fix. The fourth season of the hit Paramount Network show is finally about to become available for streaming. Whether you're looking for a refresher on all of the dangerous goings-on or just want to find out what all the hubbub is about, here's everything you need to know to get caught up on the ranching drama Yellowstone. Streaming While Yellowstone isn't currently on Netflix or Hulu, all four seasons are now available to stream on Peacock. The seasons are also available for purchase season 1-4 through Amazon Prime (unfortunately, the show is not currently free to Prime members.) Despite what you might assume, given that the show airs on the Paramount Network, it is not currently available through the Paramount+ streaming service, though the hit prequel show 1883 can be found there, as well as the recently announced Dutton origin story 1932. Sign up for Peacock Kevin Costner and Kelly Reilly play the father-daughter pair John and Beth Dutton on Yellowstone. Damo Nell What's Yellowstone about? The show follows the trials and tribulations of the Duttons, a family of ranchers operating the the largest contiguous ranch in the U.S. But you don't reach the Duttons' level of wealth and success by playing nice, not out where the west is still wild. The family is constantly attending to conflicts from the outside—including land developers, political opponents, and clashes with the local reservation—as well as from within, as the complicated dynamics between the family patriarch John (played by Kevin Costner) and his children—frustrated, ambitious Jamie (Wes Bentley), deliciously vicious Beth (Kelly Reilly), and rugged former soldier Kayce (Luke Grimes)—play out with plenty of scheming, secrets, and no little bit of bloodshed. When will season 5 debut? Though the massive success of Yellowstone and the ever expanding Yellowstone universe—it now has it's prequel 1883, another prequel, set during the Great Depression, titled 1932, an in-the-works spinoff set on the 6666 ranch in Texas, which will stream through Paramount+—would make it shocking for the show not to get picked up for additional seasons, it took months for the network to announce whether the show would be returning. Fortunately for fans, though, in February 2022, they did indeed reveal that a new season is in the works, and is likely to begin production this spring. Sign up for Paramount+ 'Yellowstone' Season 4 ' Sneak Peek Lauren Hubbard is a freelance writer and Town & Country contributor who covers beauty, shopping, entertainment, travel, home decor, wine, and cocktails. Missed the two-episode premiere of the Roseanne revival and need to catch up? Not a problem. ABC has made it easy for Roseanne fans to watch episodes online. Fans can watch new episodes on ABC's website if they log in through their cable provider. Viewers can also use Hulu to watch episodes online, if they are subscribed to the service. Currently, Hulu only offers episodes from the new revival season on their service, not from past seasons, and episodes get posted the next morning. If you want to buy episodes from the new season and not just stream them, you can find them available for purchase on iTunes and Amazon Video. Both of those services also offer a season pass option, allowing you to pay a one-time fee to get episodes of Roseanne as they become available. Want to binge-watch the entire series from the beginning? Amazon Prime offers the first nine seasons of the show to their subscribers. All the episodes are also available for purchase on Amazon Video, iTunes, Google Play, and YouTube. Roseanne returned after being off the air for over 20 years. While much of the reaction has been mixed so far, a massive number of viewers tuned in, making it the highest rated comedy in four years across the broadcast networks with 18.2 million viewers. Most of the show's cast returned for the revival, while others will soon be joining them, including The Big Bang Theory's Johnny Galecki, who will be returning to play David. The revival is currently set to run for nine episodes. While Victoria's third season has already started airing in the United States, it won't premiere in the U.K. until later this year. Kevin

Lygo, the head of ITV, recently revealed it will be coming back "in the spring or summer."With that in mind, here's how to catch up on the series. Sign up for PBS Passport.Both seasons of Victoria are currently available on PBS's streaming platform, Passport. The online service, which can be used on the computer as well as smartphones and through TV applications like Roku, Amazon Fire, or Apple TV, is an added benefit for donors to PBS. Each individual station sets the requirements for membership, but according to the national organization, generally speaking, "the PBS Passport member benefit requires a station donation of at least \$60 a year, or \$5 Sustainer/Ongoing-monthly gifts."Sign Up HereDon't want to sign up for Passport? Check your local PBS station's schedule. Every so often they'll run marathons of the show. That's when you'll want to fill up your DVR with the royal family drama.Use Amazon Prime.Both seasons of Victoria are also available to stream on Amazon Prime. If you already have a subscription, just head over to the show's page, and press play. If you haven't signed up for Amazon's membership service, they offer a free, 30-day trial, which is plenty of time to at least start watching the series. You can also go ahead and join Prime, which costs \$12.99 a month and gives you access to not only Victoria, but tons of other programs such as The Marvelous Mrs. Maisel and A Very English Scandal.Plus, you'll get free, two-day shipping on select Amazon orders.Victoria Season 2Victoria Season 2Amazon also sells each season for \$9.99, if you'd prefer to go that route.Is Victoria on Netflix?Sadly, no. While Victoria is reportedly on Netflix in some countries, it's not in the States.Caroline HallemandDigital DirectorAs the digital director for Town & Country, Caroline Hallemand covers culture, entertainment, and a range of other subjects. Now is the perfect time to catch up on Fox's multigenerational music dynasty saga Empire. The Terrence Howard-led cast is set to strike back on March 30 after the over-the-top cliffhanger midseason finale "Et Tu, Brutus?" found the Lyon clan steeped in even more than its standard share of record industry turmoil. Lucious is struggling to maintain control of his business, Cookie throws a concert at the prison that kept her locked up for 17 years and someone gets tossed down a flight of stairs.There are a number of ways to catch up on the most recent episodes of the Lee Daniels-produced series. Both Fox and Hulu (opens in new tab) will let you stream the five most recent episodes of the series without paying up or signing in. The latter service also offers the first three episodes of the first season, if you're looking to dip your toes in before committing to a binge session.(Image credit: Fox)If you simply need to pick up an episode here or there, all of the a la carte options are pretty much created equal, at \$2 for standard definition and \$3 for high definition. Beyond that, the math gets a bit more complicated. If you're looking to full-on binge before March 30, a premium Hulu account is your best bet. You can stream all 22 existing episodes (12 from Season 1 and 10 from the first half of Season 2) for a subscription starting at \$8 a month, and an additional \$11 will get you that content commercial-free.As far as actually buying full seasons, the prices fluctuate a bit more from service to service, but all are generally within a few dollars of one another. The second season usually runs about \$15 more than the first, as it'll include a total of 18 episodes when all is said and done. Most of the services also include some bonus material, such as behind-the-scenes looks with the show's cast and crew.You'll find the full breakdown of your watching options below. We've rounded all of the prices that end in 99 cents up to the nearest dollar.If you're simply interested in catching up on the most recent season, you can accomplish the task directly from the source. Fox's site has the first 10 episodes of Season 2 (up through the recent midseason hiatus). Episodes five through 10 are available to stream for free on your PC (albeit with online commercial breaks). The first five episodes require a Fox Now account (along with your cable provider login); the same goes for streaming the show to a TV or mobile device.MORE: Best Streaming Players: Chromecast, Roku, Apple TV & MoreAmazon Video (à la carte) Empire is not included in Amazon's \$99 Prime Video subscription. However, the show can be downloaded as individual episodes or full seasons, the latter of which come with some bonus behind-the-scenes content.Episodes: \$2 SD/\$3 HDSeason 1 (opens in new tab): \$21 SD/\$30 HDSeason 2 (opens in new tab): \$32 SD/\$45 HDHuluStreaming (\$8 a month for limited commercials, \$12 a month for no commercials)Hulu (opens in new tab) fans might just have the best (legal) option for streaming Fox's hit show. A smattering of episodes are free for everyone, including the five most recent episodes (a la Fox), as well as the first three from Season 1. You know what they say — the first taste is always free. Once you're officially hooked into the goings-on at Empire Entertainment, check out Hulu's two different plans: an \$8 limited commercial version, or the full \$12 a month, which will get rid of the ads altogether.MORE: Your Guide to Cable TV Cord-CuttingiTunes (à la carte)Episodes: \$2 SD/\$3 HDSeason 1 (opens in new tab): \$21 SD/\$30 HDSeason 2 (opens in new tab): \$32 SD/\$45 HDM-Go (à la carte)Episodes: \$2 SD/\$3 HDSeason 1: \$21 SD/29 HDSeason 2: \$30 SD/\$44 HDMicrosoftEpisodes: \$2 SD/\$3 HDSeason 1 (opens in new tab): \$21 SD/\$30 HDSeason 2 (opens in new tab): \$32 SD/\$45 HDPlayStation Entertainment Network (à la carte)Episodes: \$2 SD/\$3 HDSeason 1: \$21 SD/\$30 HDSeason 2: \$32 SD/\$49 HDVudu (à la carte)Episodes: \$2 SD/\$3 HDSeason 1 (opens in new tab): \$21 SD/\$30 HD/\$30 HDXSeason 2 (opens in new tab): \$32 SD/\$45 HD/\$13 HDX
