The fantastic sci-fi series has captivated the imagination of the audience with adventures in various game worlds that often break the boundaries between virtual reality and real life. This means a new audience to the series may need a little help figuring out their order to watch Citizenship online.

Beginners may be intimidated by the unique time scale of the Isekai series and the long names of arcs and movies. Here's the schedule for the full series art and SAO best hours rating. Start watching Sword Art Online with Sword Season 1 which online season is divided into two arcs, Aincrad Arch and Fairy Dance. "Aincrad" represents the main protagonist Kirigaya Kirigay who in November 2022 along with 10,000 other players trapped in VR World Sword Art Online. The threat is real: anyone who dies in the game dies in real life; All 100 floors must be cleared to return to the real world. It's full of thrilling battles and painful deaths - I also love flowers in the middle of a life-or-death struggle. "Fairy Dance" picks up two months after "Aincrad" ended, with 300 players from the SAO accident - including friend Kint Asian - still trapped. In the real world, she remains unconscious and extremely fragile when Kirito learns that he is being held hostage in another VR game, Alheim Online. The world and cast begin to unfold with the introduction of Asuna's family and communications along with a mysterious government whose influence grows every season. Published in 2021, Sao Progressive: Aria of Star Night is a movie that tells the story of Aincrad's arc from ASUN's point of view. It captures how she struggled with her high school boyfriend in the beginning, and her first encounter with Asuna's Kirit wasn't as experienced as it seemed, but with MIT experience as a beta tester, she helped ASUN move faster and accept her situation. This short SAO: Extra Edition originally came to Japan on December 31, 2013. ITO's Extra Edition ITEMBS provides a full check of the events of the first season at Seijirou Kikuoka's government office. A history of quick links based on the popular lights of Kawahara's hand, Sword Art Online is one of the most famous anime of the last decade. The fantastic Sci -Fi series has captured the imagination of the audience through adventure through various world games that blur the boundaries between virtual reality and real life. New viewers to the series may need little help determining the proper order of online time. Newcomers may be intimidated by the unique chronology of the Isekai series and the lengthy titles of history and movies. Here is the airing of the full chronology of the series and the best SAO watch. Start watching Sword Art Online with Season 1 The first season of online sword art is divided into two belts: "Aincrad" arc and "Fairy Dance". "Aincrad" features the imprisoned hero Kazuto "Kirito" Kirigay of 10,000 players in VR World of Sword Art Online in November 2022.

The threat is true: everyone who dies in the game dies in real life; It must be cleared 100 times to return to the real world. Filled with fascinating battles and the painful dead - even in the midst of a struggle for life or death, she even loves flowers. "Fairy Dance" begins two months after the end of "Aincrad. 300 players from the SAO incident - including Kinto Girls, Asuan - are still incarcerated. In the real world, while remaining unconscious and very fragile, Kirito finds himself in custody. Another VR hosts the game, Alheim Online. The world and players will begin to develop, together with the introduction of the family and the relationship of Asuna, with a mysterious representative of the government, the government, which affects the government every season.

SAO Progression: Aria of Starless Night released in 2021. Asuny overview A movie called Arc d'Aincrad from an angle. He initially tells how he fought with his friend Mito School and the first meeting with Kirito. Asuna was not as experienced as she seemed, but due to the experience with Mito, beta testing allowed ASUN to climb faster and accept her situation. This short SAO: Extra Edition was originally published in J. Apou on December 31, 2013. Another edition is government executive Seij from season 1. iro is KIR which provides a complete summary of events up to Kikuoka. There is also new contentSail into the real world and the entire cast will finally enjoy calling Hello safely. Season 2 begins with the "Phantom Bullet" arc, one year after the collapse of SAO. As the new online virtual reality shooter Game Gale gains popularity, authorities are alarmed by two mysterious accidents involving a player named Death Gun. When the Death Gun fires on a player's eve, that player also dies in the real world. Because of Kirito's knowledge of the game, he is asked to dive into GGO and research. Extraordinary sniper Shino "Sinon" joins Asada and discovers that the enemies are more familiar than they seem.

The Calibur arc is a short but fun adventure for the entire cast, including Sinon, in Alheim Online. It's a lighthearted story that sits between two much heavier stories. Mother's Rosario is an emotional story that brings Asuna to the fore. Returning to Alo, he heard that there was a skilled swordsman named Zekken who was undefeated in individual battles, including defeating Kirito. Asuna and Zekken, whose real name is Yuuki, become Fast Buddies and Asuna joins her guild for a while. But reality is not so carefree as Yuki carries the devastating burden of the real world due to her desire to rival ALO. Prepare your textures. The alternative to SAO is a standalone series with a diverse cast of characters. Based on Keiichi Sigsawa's light novels, this series is similar to the main series only in that it takes place in the already assembled world of Gale Online. This can be considered a standalone story, but some references to Sinon and Kirito may be lost if you haven't seen the Ghost Bullet arc first.

College student Karen Kouhirimaki has trouble making friends because of her extraordinary height. He decides to try virtual games as an escape route and loves the excitement of online Gun Gale. The game also lets him create his own avatar and be the short, pink dressed girl he always wanted to be. Now he's self-assured, disconnected from everyone else who, like LLen, enters a tournament that is a matter of life and death for a particular player.

Returning to the main time sequence, the film takes place on an ordinal scale a few weeks after the end of the "mother rosary." It also has the privilege of being an exceptional spirit, as this story is not included in the author Kawahara's light novels. A New Augmented Reality Device Called Augma Is EverythingThe first armor becomes a fight against the Ornal scale. Kirito shows a little interest in with, until Asuna and others say to him that the monster boss began to appear from the original art of the sword. The secrets joined when the second match player Eiji was deliberately injured and his guild and left him in the hospital. Many Sao survivors who interact with Eiji, including asun, lose their memories of their time in Sao. Sao's third season is the longest and largest date. Participation in three arches "Alicization", "Underground War 1" and "Underworld War 2" - starts a few months after the custom scale events. Alicization worked in Kirito with a very secret government company to test a full experimental diving machine called Soul Truduct (STL). After Kirito attacked a weapon member in the real world of the second season, he suffers from significant brain damage and is maintained alive. When Kirito wakes up with his real memories in the underground world, he has to find how to survive the most realistic VR in the world, while Ratha's true goals in the STL become clear. The following arc "Underground War" continues the alacred events, as there is a conflict that covers the world with the most important international consequences for the real world. "Part 2" is available for streaming stream crunchyroll. It is also streaming Netflix, where the other side is mentioned as season 4, but Anime Sao's chronology corresponds to the correct order, although many stories begin shortly after their previous arches. It seems that Kirito and his friends have a shorter space and silence than the occupation of the dragon ball. A year after online escape, Kirigaya returned to the real world on the Internet. However, his room is briefly experienced as the new incident takes place in an online game Gun Gale, which seems to be a player named Gun Gun kills people in the real world and shoot them in the game. He turned to officials to help help the study murders. On September 19, 2020, Sword Art Online Alicization ARC is one of the most difficult and satisfactory stories in its franchise history. The depth of the underground world, we are thrown into the maze of conspirators.in fact, this story was so complex that it had to be told in several parts to tell the whole story. Beginning with the first episode titled "Dutch War", the second part immediately plunges into chaos with characters familiar to us from previous seasons. This episode brings together Sinon, Leafa, Klein, Lisbeth, Silica and many others...
