NOTE: Requires US eStore Account To Activate. Bayonetta is a butt-kicking, havoc-wreaking witch who wields sweet weapons like pistols, whips, hammers, flamethrowers, and poison bows. But it's not just about brawn—it's also about style. Bayonetta is deadly but sleek, with moves like Witch Time that slows down time itself, and the all-new Umbran Climax—a special magic attack that summons Infernal Demons to devastate enemies. The Bayonetta 2 game also features an online and local wireless 2-player cooperative mode where players bet halos on their performance and work together to amplify their sass, cause destruction, and score some riches. You can even dress Bayonetta up in five Nintendo-themed costumes—Princess Peach, Princess Daisy, Link, Fox McCloud, and Samus Aran.
